Testimony in Support SB 244 AN ACT CONCERNING ELIGIBILITY TO HOLD PUBLIC OFFICE OR BE EMPLOYED BY THE STATE OR ANY MUNICIPALITY.

Chairmen and Members of the Government Administration and Elections Committee,

The CT Republican Assembly is an organization which has members and friends totalling over 500 Republicans and conservatives across the eight counties of Connecticut. We stand firm in our principles and unalienable Rights under the US Constitution, as well as the Rights and responsibilities within the Connecticut Constitution. I am Anne Manusky, 24 year Connecticut resident, former Licensed Professional Counselor, and current President of the CT Republican Assembly.

We are watching in real time a second review of the events that took place in Washington, DC on January 6th, 2020; we are learning as to how the media has operated to cherry-pick certain information and provide it, as well as the Special January 6th Subcommittee, and finding it to be void of half of the facts.

We the People of Connecticut and the country are looking forward to the released videos and current 2023 House Special Committee review of the entire videos and supporting material evidence as to the actual events that took place that day. It appears as though it was a political attack on our Country.

In regard to an act of Sedition, or specifically Seditious Conspiracy, this is a Federal Offense under U.S.C.15:

2384. Seditious conspiracy

If two or more persons in any State or Territory, or in any place subject to the jurisdiction of the United States, conspire to overthrow, put down, or to destroy by force the Government of the United States, or to levy war against them, or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, they shall each be fined under this title or imprisoned not more than twenty years, or both.
